

## K-ESSENTIAL MOISTURISING FACE CREAM

Face cream with moisturising and emollient action, nourishes the skin and strengthens it.

This wonderful cream offers freshness and softness thanks to its light texture like a silk veil. Ideal for daily pampering the skin in search of radiance and perfection. A tailor-made answer for the skin that loves to feel free. Delicately scented and suitable for all skin types.

### ACTIVE PRINCIPLES

HIGH MOLECULAR WEIGHT HYALURONIC ACID (Sodium Hyaluronate), known for its filming and moisturising action.

SWEET ALMOND OIL (Prunus Amygdalus Dulcis (Sweet Almond) Oil) and SHEA BUTTER (Butyrospermum Parkii (Shea) Butter), with emollient and moisturising properties.

MIX OF VITAMINS (Tocopherol, Retinyl Palmitate, Biotin, Calcium Pantothenate, Niacinamide) which, in synergy, help to moisturise the skin and prevent aging.

### RESULT

The light texture and the fast-absorbing formula leave the skin soft and clean in a few moments and make this cream suitable for use as a make-up base as well.

## K-ESSENTIAL SHOPPER

Comfortable and spacious, it is ideal as a travel beauty case to easily contain and transport the products of the K-Essential line and more! Versatile and elegant, perfect for any occasion.

K-ESSENTIAL LINE

To obtain optimal results with make-up, it is useful to prepare and cleanse the skin with targeted SKINCARE products. K-ESSENTIAL LINE is the perfect solution to obtain the desired results.

## K-ESSENTIAL MICELLAR WATER

Delicate and fresh cleansing water perfect for removing make-up.

Suitable for all skin types, it is the ideal solution both for démaquillage at the end of the day and for cleansing the face upon awakening. Also suitable for the most delicate skins and it is fragrance-free.

### METHOD OF USE

Apply the product gently on the face with a cotton swab on the part of the face to remove the makeup. A rinse is not required, but it may be useful to apply a face cream after the cleansing operation.

### ACTIVE PRINCIPLES

#### HIGH MOLECULAR WEIGHT HYALURONIC ACID (Sodium Hyaluronate)

Hyaluronic acid is a characteristic constituent of the connective tissue capable of binding water; by virtue of this peculiarity it is used in preparations for dry and devitalized skin that show signs of aging.

#### BIRCH EXTRACT (Anogeissus Leiocarpa Bark Extract)

From the bark of African Birch, a particular extract is obtained which is used in traditional medicine for the treatment of bacterial diseases and infections and for its invigorating effects. It is widely used in cosmetics for its known effectiveness in combating wrinkles and expression lines.

#### DISTILLED WATER OF CORNFLOWER (Centaurea Cyanus Flower Extract)

Centaurea Cyanus, commonly known as cornflower is an annual plant of the Asteraceae family.

The extract and distilled water are useful in the softening and refreshing treatment of dry, delicate and sensitive skin and in products intended for the eye area such as make-up removers, gels, packs and masks.

### RESULT

With K-ESSENTIAL MICELLAR WATER, the skin is more hydrated, fresh and radiant.

## K-ESSENTIAL CLEANSING GEL OIL

Innovative multifunctional product based on vegetable oils, transformed into gels with the help of natural substances. Also suitable for the most delicate skin.

To be used to cleanse, moisturise and soothe the skin, also suitable for the most difficult makeup removal.

### METHOD OF USE

In contact with water, this soft gel turns into a milk, perfect for cleansing the skin, and at the same time leaving it soft and perfectly hydrated.

For an even more effective action, it can be left on for a few minutes, in order to obtain a deeper action.

### ACTIVE PRINCIPLES

**SWEET ALMOND OIL (Prunus Amygdalus Dulcis (Sweet Almond) Oil)**, widely used in dermatology and cosmetics, with an emollient and protective effect, well tolerated even by the most sensitive skin.

**RICE BRAN OIL (Oryza Sativa (Rice) Bran Oil)**, usually used in anti-wrinkle and anti-aging protective products.

**BOSWELLIA EXTRACT (Boswellia Serrata Gum)**, used for soothing even on delicate skin.

### RESULT

With K-ESSENTIAL CLEANSING GEL OIL, the skin is perfectly clean by eliminating all makeup residues, without annoying sensations of dryness.

The moisturising and emollient action of the product gives the face a pleasant feeling of comfort.

## K-ESSENTIAL SUGAR SCRUB

Face scrub with sugar granules (Sucrose) that allows for gentle exfoliation of the skin, an important step in improving make-up results.

### METHOD OF USE

Massage the product on the moistened skin of the face, thus allowing the dissolution of the sugar micro-granules. During the massage, a pleasant sensation of well-being is perceived on the skin. Once the exfoliation is finished, it is possible to rinse with warm water.

Repeat 1-2 times a week to eliminate dead skin cells and regenerate the epidermis.

### ACTIVE PRINCIPLES

**GINSENG EXTRACT (Panax Ginseng Root Extract)** Obtained by grinding or extracting from the roots of Panax Ginseng better known as the root of life. It is used as a stimulating and nourishing tonic for mature, reddened scalps with fragile capillaries.

**POLYSACCHARIDES COMPLEX (Rhamnose, Glucose, Glucuronic**

**Acid)** Complex known for its ability to inhibit the proliferation and adhesion of impurities, especially on fragile and sensitive skin, thus acting as a real barrier for the skin.

### RESULT

With K-ESSENTIAL SUGAR SCRUB, the skin will be smooth, radiant and hydrated.
